KEEP OUR STUDENTS ON TRACK

Graduating in 2021 is a BIG deal! Our students are navigating a year we never imagined and their persistence and perseverance through it all has shown they are equipped with the tools to conquer the world.

While a return to in-person learning is on the horizon, the barriers to enroll in college and stay enrolled in the fall loom ahead.

Our 250 incoming high school seniors for the Class of 2022, more than 1,800 college students - many of whom are just a year or semester away from earning their degrees - and early career professionals are relying on the Midnight Golf Program to help them cross the finish line.

With your support, we can continue to meet the needs of our young people during the COVID-19 pandemic and beyond and ensure they finish the journey strong.

YOUR IMPACT

Your investment in our young people is crucial now more than ever. Here are **3 ways** that your support will impact our students:

1. Ensure that no student has to navigate college alone.
3. Ensure students have the resources they need to stay enrolled.

2. Ensure that no student is denied a post-secondary education because they can't afford it.

According to a study from Georgetown University, there will be 55 million job openings in the economy through 2020; of these openings, 65% will require education beyond high school.

MGP'S DIRECT SUPPORT SYSTEM INCLUDES:

30 weeks of high-quality life skills training & 400 hours of direct programming.

College Success Coaches are assigned to each student to determine a college or university that fits their unique needs and aspirations.

Our mentors volunteer over 390 hours each year (10x the national average) at a 4:1 student-to-mentor ratio.

Unique experiences and access to community partners:

- Annual *Road Trip for Success*
- College Fairs
- Community Service Projects

MGP'S OUTCOMES

\$5M IN SCHOLARSHIPS

earned in 2021 as a result of MGP's guidance. A \$1,000 increase in a student's financial aid corresponds to a 9.2% decrease in the likelihood that they will drop out of college.

\$150,000

dispersed from *MGP Family Fund* (average request of of \$1,700/student) for tuition, housing, basic services assistance.
